

REMARKS

This is in response to the Notice of Non-Compliant Amendment dated May 13, 2004 which in turn is in response to the amendment filed on April 30, 2004. The amendment was considered non-compliant because each claim was not provided with the proper status modifier. The corrected section of the non-compliant amendment, i.e. the Amendments to the claims) is re-submitted in its entirety with the claim identifiers corrected. Accordingly, the holding of non-compliance should be withdrawn.

Favorable consideration and allowance of the claims is requested.

Respectfully submitted,

Daryl Meyer
